In the Matter of Great River Energy's Request for an Extension for Filing its Next Integrated Resource Plan;

In the Matter of Great River Energy's 2022-2036 Integrated Resource Plan.

1. Should the Commission grant Great River Energy's request to extend the due date for filing its Integrated Resource Plan (IRP) from April 1, 2022 to April 1, 2023?
2. Should the Commission consider an alternative date?
3. If a one-year extension is granted, should the Commission direct GRE to file an interim update? If so, what information should the update include? (PUC: **Stalpes**)
