In the Matter of a Commission Investigation into Potential Rule Amendments Related to Liquefied Carbon Dioxide.

Should the Commission open a rulemaking proceeding to amend the definition of “hazardous liquid” in Minn. R. 7852.0100, subp. 18, to include liquefied carbon dioxide? (PUC: **Ek**)

Note: The Commission is in receipt of all the written comments received during the designated comment period in this matter. The Commission may consider allowing interested persons to provide 1-2 minutes of oral comment during the meeting. Those interested in possibly providing oral comment should consider whether their positions were already provided in the written comments.
