* **E002/M-20-760** **Northern States Power Company, d/b/a Xcel Energy**
In the Matter of an Xcel Payment Plan Credit Proposal.

1. Has Xcel proposed a reasonable and equitable approach to distributing the remaining amount of \$855,405 from the Commission approved Xcel Payment Plan Credit Program amount of \$17.5 million, as currently filed?
2. Should the Program period for disbursement of all funds be extended until the funds are fully exhausted?
3. Should the remaining funds be deployed for use to other ratepayer-assistance programs, such as the Power-On program, etc.? (PUC: **Ubani**)
